ASDSC Board of Directors

May 4th, 2025, 2:00 PM

Veterans Memorial Hall Royer Park, Roseville, CA

P.O. Box 8942, Citrus Heights, CA 95621

Called to order: at 2:01 PM by President Helen Halley

Pledge of Allegiance: led by Helen Halley

Determination of Quorum: by Secretary Judy LaFrance. Quorum achieved. See attached sign in sheet.

Approval of Minutes: Bob moved to accept the minutes as written. Corky seconded. Any discussion on the minutes? None. All in favor of approval. Any objections? Hearing none, the motion carried.

Officer Reports:

President: See attached. Additions:

Helen asked how many read the reports that are emailed out ahead of time? Response was about one half those present. Helen sent out an updated final President's report this morning. Please refer to it rather than the one sent out several weeks ago. Included are many details about the CCSD convention. There will be a silent auction at the state festival next year, and Katie is in charge of a basket from ASDSC. A badge charm will be given to a limited number of those who sign up first. There are still some available. The following change to CCSD bylaws needs to be voted on by affiliates: all board members can hold multiple jobs except for the President. A $100,000 donation was given to CCSD for education purposes. The application for obtaining funds through this grant is attached to this report. You can earn a Friendship badge from CCSD if you attend five dances plus a CCSD dance.

Vice President: See attached. Additions:

Clarification about 5th Saturday Dance Guidelines statement: "The member club must have supported previous 5th Saturday dances." This does not mean the club's members have to attend all dances. Sue stated that she would support Sunday afternoon dances more than Saturday night dances. Many delegates concurred.

Secretary: See attached. Additions:

It was agreed that any account balances or documents reflecting actuals will be redacted or not included in the report that gets posted to the ASDSC website. The budgets posted in reports over the last two years did not include actual account balances.

Treasurer: See attached.

Chair Reports:
Membership Chair: See attached.

Website Chair: See attached. Additions:

- Dieter stated they have found many errors in the Google group lists over the past few months. There have been misspelled names as well as old representatives who haven't been removed. He only had email addresses which may not reflect the individual's name, and may be impossible to determine who the email address belongs to. He will send a list to each of the clubs verifying name, email address and club position. Dieter is requesting this information from new delegates. Bob of Capital City Squares sent new delegate information for Nolan and Megan to ASDSC Secretary. Sara asked Dieter if he got her correction for Apple Jacks and Jills. Dieter will verify.
- Helen asked the group at large, "if you go to ASDSC.org website and click on the link 'Contact me', who gets a notification?" Helen did this exact thing and hasn't been contacted by anyone. Katie says that people send her an email directly rather than trying to go through asdsc.org/harvest. Dieter and Harold will do some testing to see where those emails go and make

sure they go to someone. Bob asked if there is a committee working on this. Dieter will append a list to his quarterly report with club contact information. Secretary should redact that portion of the report before sending it for posting on the website.

Harvest Hoedown Chair: See attached. Additions:

Katie clarified HH balance of [redacted] includes [redacted] borrowed from ASDSC. Harvest Hoedown relies on donated baskets from the clubs for silent auction. No limit on the number of baskets donated per club. Could create a basket around a dance theme. If you would prefer not to create your own basket, you can ask for $100 in club donations and provide funds to Katie and her team will create the basket for you. However, it's preferable for the club to create their own basket.

Promotions Chair

A Stockton dance opportunity was forwarded from Bob to John. Helen is going to be focusing on Promotions soon. She likes the business card idea that CCSD created for the 'Yellow Brick Road' state convention. It is small and can be taken home to do research. Helen knows someone who will generate a QR code for the ASDSC website. Our website focuses on the square dancer perspective with information utilized by current dancers, not necessarily good for 'non dancers'. The intention of the 'Learn' page is for people interested in learning to square dance. However, it appears more focused on workshop information for current dancers. Need to take a closer look at the future of the webpage.

Sunshine Chair: See attached. Additions:

Bob sent information about someone passing away to Sunshine and expected it to be forwarded on. Our Bylaws do not include Sunshine sending or forwarding emails to anyone.

Other Standing Positions:

Past President: See attached. Additions:

- Jay has received dance date requests from Goldancers, Oroville Promenaders and Prime 8's for 2026 at Royer Park. He needs dates from everyone as soon as possible, so that he can request those dates by the end of May. Once submitted to Placer County, he doesn't touch it. There is no charge for the hall if requesting through ASDSC.
- Dieter says that we advertise classes, dances, etc. through the website. We can put a place holder on the calendar for an event in the future. This feature allows planning and reduces conflicts.
- Jay requested that Scott Pearce provide an update on CallerLab. Changes are coming to square dancing. There is a proposal to eliminate SSD and change to 'Mainstream'. This impacts mostly mainstream and plus clubs. No calls are going away. The proposal sets a program policy that there will be no more than 50 calls in the entry level. Additionally, plus level must be at least 50 calls. Currently, the entry level will be called 'Mainstream'. No decision regarding which calls will be "Mainstream', but it will be very similar to SSD. All other calls will be Plus. Advanced and Challenge levels are left unaltered. Those clubs that are dancing Mainstream currently will need to decide if they want to move up to Plus or dance less moves in Mainstream. Changes are coming at least a year out. There is a large committee, including Scott, deciding which calls are in Mainstream. Dieter asked if there's any discussion. Scott stated they are trying hard to get away from having classes at only ONE time of the year. It's better to have a product that is available more frequently. Could hold SSD level dances or new dancer level hoedowns after class. Bob says they typically start a class in September, then hold another one in April. Every club looks at their own circumstances. John said that Promotions tried to have classes start in September so they could promote it well. Mavericks has a new class starting in July. Good Vibrations are starting a class in June. Sue and Scott stated that clubs can offer three classes per year. Dieter noted that many activities are failing because people mark things off their 'bucket list', which rings true for square dancing classes. Scott noticed that every new dancer

class in the greater Sacramento area is on Wednesday nights, except for Goldancers on Thursdays. Clubs should talk to each other and offer classes on different nights. Helen also noted that we do have a challenge in this area as clubs are far apart. Helen says September new dancer class start with Harvest Hoedown new dancer/entry level dance to hook them would be a winner. Unfortunately, SSD is a 12 week program so there's not enough time to get them to a dance level other than entry.

Current Business:

- Future of ASDSC: 5th Saturday Dance financing thoughts in light of our current ASDSC budget issues. Helen got responses from six of the ten clubs. Two clubs preferred no change. Two clubs said 55% to ASDSC after expenses. One club stated to pay for the cuer only, but put $$ towards caller if cuer not involved. Last club stated to have a sliding scale based on the club's current financial state. Katie said that we have to make sure that ASDSC is solvent. ASDSC will go through its investment in 5 to 10 years if nothing changes. John created a 5th Saturday Dance Summary sheet with figures from the past 3 dances. Please refer to that sheet which shows club profits using the three different options. Sue says that option 3 and taking home such a small amount of money doesn't make sense for the time and effort. Jay suggested instead of charging $10/person to dance, should it be $15/person? Sara said if we increase fee to $15, then we could have $10 go towards the club and $5 towards ASDSC. Mary Aldridge said she thinks $12 or $13 is reasonable. Katie stated that 5th Saturday dances used to be income for ASDSC. After Covid, 5th Saturday dances were focused instead on helping clubs get back on their feet. Helen said if we do use our investments, then the ASDSC will not have buffer money. Sara thinks we should increase dance fee to $15. 2/3 for club after expenses and 1/3 to ASDSC. Sue says they charge $13 for dances. John says there is no statement in our Standing Rules or Guidelines of what we should charge for dances. We have been charging only $10. Dieter explained that the clubs

would host the dance, but ASDSC got all the money. It used to be a requirement for the clubs to support a 5th Saturday dance as part of their membership. After Covid, ASDSC attempted to help the clubs. Dieter suggested that the club hosts the dance, pay for caller and cuer from the gate, then split proceeds 50/50 between ASDSC and the hosting club. Raffle proceeds still can go to club. Increase price to $15/person. Sara made a motion to increase dance fee to $15 and split gate after expenses paid beginning in 2026. Bob seconds. Scott asked 'Why can't we make this change for 2025?' Fliers are already made showing $10/person. All in favor? Eight delegates. Opposed? Two delegates.

Katie asks for clarification about the caller/cuer fees for 5th Saturday dances. Clubs cannot obtain a different caller at a higher cost. Caller and Cuer expenses and contracts have to be approved by the ASDSC executive committee.

- Tim Pepper proposal for 5th Saturday in May 2026. Helen explained the proposal but we are not ready to give details yet. If we decide to work with Tim on this dance, Apple Jacks & Jills dance hosting would be moved to another date in 2026 or 2027. This dance would be sponsored and hosted by ASDSC. It would be an 8 or 10 hour event, starting with an afternoon of advanced and an evening of SSD/Plus. Rounds would be included as either pre-rounds before the evening dance or a round dance party between the advanced and SSD/Plus dances. More details to come once John obtains more information and determines if it's a good opportunity for our clubs and ASDSC.

Open Forum for the Good of the Order

Sunday afternoon, rather than Saturday night dances. Helen says we should table this discussion for 2027. John has coordinated with Jay to have three ASDSC sponsored dances in 2026. Dieter requests clubs communicate to him about club contacts.

Current Affairs of the Association

Thank you to everyone for your patience at the February meeting. I knew it would be long due to the subject matter. I appreciate that you were engaged in the process, while understanding that some of you enjoyed it more than others. It is *not* my intent to regularly have meetings this long.

Thank you, Jay, for getting our ASDSC 2024 tax return filed.

In late March, Jay received a call from Tim Pepper offering an opportunity. Tim is considering bringing in a name caller for their 5th Friday dance and was proposing that the ASDSC share the costs by having the same caller for our 5th Saturday dance. Ideas floated included having an Advanced dance on Saturday afternoon and the usual SSD/Plus dance that evening. Due to time sensitivity, I put the idea out to the executive committee for their thoughts. I received responses from most of the committee, all responding it was a good idea for various reasons. I followed that up with instruction to John Crowston to inform Tim Pepper that we are interested.

The first thing I did when asked to consider taking on this role of President was to look around the website to see what I could learn and what was available to members and the public. There are a couple of pages that perplexed me.

1. Contact: To whom does a message go when 'send' is clicked? Just for the fun of it, I filled in my information and clicked on 'send.' Recently (4/5/25) I did just that, and this is what I learned. (It's May 3rd and I haven't received a response) Question: what can we do to the Contact page to make it more clear to a visitor who sends a question or comment of that page? And then ensure a response is sent? I didn't try the contact information on the other pages.
2. Learn: Look at the page through the eyes of a potential dancer (aka someone who doesn't square dance). What do you see? I saw a lot of flashing lights before I noted the scroll bar indicating there was more to the page. I did like the snips of benefits, but then the list of clubs was buried way down at the bottom. And the list was every club's weeknight workshops with all the acronyms and abbreviations familiar to existing dancers. What do you see?

Liaison to California Council of Square Dancers (aka CCSD)

May 2nd, Friday evening was all about the 2026 CCSD convention.
The Yellow Brick Road scheduled for April 20-122, 2026 in Santa Maria.
Badges from previous conventions are being assembled for an historical shadow display.
You have business cards covering the event for putting in your pocket.
There will be a silent auction, so affiliates are asked to provide a basket.
First 100 registrants get a themed charm (dangle). Early Bird prices end after Golden State.
A Vendor chairman is still needed; vendor fee is set at $40.
Is anyone interested in running a Close Closet?
An after party slot is open that is typically for the next year's convention which hasn't yet been decided.
Vernon Jones will be conducting a Caller Clinic.

May 3rd CCSD Business meeting had the usual preliminaries. There were 2 decisions.
The insurance company won't tell us the rates before November, but the amount needed to collect must be decided in May. Based on the past experience, the vote was for $7. There are some new documentation requirements that will be needed (subrogation waiver); more information to come later as we learn more.
There is a change to the CCSD bylaws that require ratification by the Affiliates. More to come.
Do we know of anyone that is going to Shreveport convention? CCSD needs another representative.

CCSD received a $100,000 donation. So a grant program has been established for helping affiliates and affiliate clubs for qualifying education events. Applications are available on the CCSD website, and can be submitted for approval at the tri-annual CCSD meetings.

Handouts available are for:

2025 May 22-24 Golden State Trails End and festivals at Lodi
May 31 73rd Anniversary of CCSM & CAMA at Oakdale (eligible for CCSD Friendship badge)

ASDSC Membership /Insurance Report

Submitted by Palma Lower

05/04/2025

Several Clubs have added members since the last report in February: As of 05/03/2025, the 10 clubs in the Association have 301 individual dancers, with an additional 74 memberships by dancers insured through another club. Several clubs are also holding classes, which will likely yield new members.

A couple of reminders and a heads up: Please remember to email me with a list of new members you are adding to your club membership roster (please indicate whether any new members on your list are presently being insured through another club). Also let me know if you have mailed the check for the new members (still $15 per person for those not already insured elsewhere). Right now, at least, the keyholders for the P.O. Box are unable to check for mail very often; if you let me know that you have sent a check, I can ask a keyholder to make a trip to pick it up. Until we can make other arrangements, we will need to be on top of this. As long as Rochelle and I know that your check is on its way, your new members' insurance should not be delayed.

Also remember to make requests for any insurance certificates that a new facility may require as soon as possible. I will be glad to tell you what information we will need to submit to the State Insurance Coordinator to process your request. Some of the steps in this process take time to complete, so we need full and accurate information up front. As always, I am happy to answer any questions you may have.

   a) Reminder to all members of the Executive Committee to upload their files to the G-Drive so future committee members can see what we have done and do not have to start from scratch.
   b) There have been some issues report with members not always receiving some "group emails". Harold has been looking into this more closely, and for the most part has been able resolve the individual issues. Note: This is ongoing research, to avoid similar issues in the future.
   c) With respects to the previous item … it has been decided that we need to re-vamp our list of entries for the Google Email Groups that are currently in us, which is ONLY a list of email entries assigned to a given group. But people often use a "funky" name instead of their real names as part of their email address, which makes it difficult to actually associate a given email address to a particular member or the member's club affiliation. Therefore, we are going to initiate a process to collect all appropriate emails along with the name of the user and that individual's associated Club … as follows.
      i) Within the week following our meeting, an email containing ALL the current know email addresses will go out to everyone on that list. The email will request each recipient to reply to the email defining which of the entries on the list are associated with their club, and provide the entries owner name and associated club. AND to add information about any other members that should be on the list and are currently no listed.
      ii) We will wait for 6 weeks for people to reply, and then compile a new list which will be provided at our next meeting.
      iii) At that meeting we will then confirm with each club that all the entries on the new list are now correct and/or one additional chance to add or correct entries.
      iv) The new list will then replace the current list used for our Google Email Groups and that list will be emailed to all the entries on the list.
      v) Any entries that are NOT confirmed from the original list, will be removed with the assumption that they are
         (1) Possibly miss-spellings of an email address
         (2) OR … An old email address that is no longer used
         (3) OR … An email address of a previous member that no longer needs ASDSC emails
      vi) We will continue to add new or correct entries on that new list as information is passed on to us by members of our organization.

Website Information

As in previous reports, I would like to stress again, the information available on/for the web-site and Facebook is only as good as the information that is provided by members of ASDSC and sent to the ASDSC Website Coordinator. Please continue to send us info ...

1) If your club has a change in officers, or a change to the detailed for those officers
2) if your club has an upcoming dance or other event
3) if your club is starting or ending a new dance class
4) (**NEW**) In order to ensure that the clubs get information, please provide the names and emails of 2x people in your clubs that are to receive future sent out information.

CLUB DELEGATE REPORT

Club Name Harvest Hoedown Date May 2025

Delegate Name Katie Pearce

Comments/News/Dances: (Please type or print clearly using black or dark blue ink only.)

All of the registration information is up on the website. Encourage everyone to register early.

We have the flyers for the Caller Workshop available and ask that you distribute them along with Harvest Hoedown Flyers. Encourage YOUR Caller to attend.

Oroville Promenaders are hosting the Trails End Dance. Please pick up flyers.

The person who has generously donated a lot of items for us to make silent auction baskets with, has retired. We will need all of YOUR club support to make this year's Silent Auction a success.

A suggestion was made to have a club/clubs host Coffee and Doughnuts for sale on Saturday and Sunday morning. Saturday morning would be in the Advanced AND Plus Hall. Sunday morning in the plus Hall only. If your club is interested Please contact me. This has potential to bring in money for your club.

We will be looking for volunteers as it gets closer to Harvest Hoedown in October.
