ASDSC Board of Directors

February 2nd, 2025, 1:15 PM

Veterans Memorial Hall Royer Park, Roseville, CA

P.O. Box 8942, Citrus Heights, CA 95621

Called to order: at 1:17 PM by President Helen Halley

Pledge of Allegiance: led by Jim Leavitt

Determination of Quorum: by Secretary Judy LaFrance. Quorum achieved. See attached sign in sheet.

Approval of Minutes: Bob moved to accept the minutes as written. Sara seconded. Any discussion on the minutes? None. All in favor of approval. Any objections? Hearing none, the motion carried.

Officer / Chairperson Reports:

a. **President:** See attached.

Helen referred to her officer report regarding her analysis of who we are as an organization. Our clubs are incorporated as general, mutual benefit corporation, or public benefit corporations (501c3, 501c4 or 501c7). If your club is a public benefit corporation (501c7) and you accept charitable contributions, the club must register with the DOJ. If the club is not registered as a legal entity, your board members are at risk of being held personally liable. Helen thanked Bob for his assistance and raising awareness of possible issues with SOS, DOJ and FTB. The SOS website will indicate if you need to file with FTB. Helen believes our clubs meet the criteria of a mutual benefit corporation. However, because we teach square dancing, we do qualify as a public benefit corporation with SOS and would then file with the FTB. Public schools fall under this category as well. Dieter asked what is defined as a charitable contribution? Katie stated that Harvest Hoedown does request charitable donations. Helen believes that since ASDSC does not teach, it is a mutual benefit corporation (501c4).

i. Chair Appointments: Jim Leavitt is invited to serve as Parliamentarian. Jim has the Roberts Rules of Order book and thanks Helen for the opportunity. Jay Aldrich, as Past President is responsible for bylaws, standing rules and guidelines. Helen requested that all chairs remain in their jobs. Anita has been asked to become Sunshine chair because she has connections and knows people.

Helen will entertain a motion to the delegates, Palma Lower for Membership Chair, Dieter Rohfleisch for Website Chair, Katie Pearce for Harvest Hoedown Chair, Anita Hopkins for Sunshine Chair, Mike Hoffman as Investment Advisor, and Jim Leavitt as Parliamentarian. Promotions chair is vacant at this time. James moves to accept the chairpersons listed, Cat seconds. Dieter is representing Mavericks, but cannot vote. Motion is carried.

ii. Signatory Changes: Many changes are necessary at Chase Bank, including the authorized representatives. Authorized representatives are those on the board who can open accounts, as well as change who can use debit cards and sign checks. Helen Halley and Rochelle Best will be the only Authorized representatives. Treasurer is not a valid position for banking purposes, however listing Rochelle as Treasurer/Acting Secretary is valid. The following changes are necessary and require approval during this meeting:

President, Helen Halley,
Treasurer, Rochelle Best

James voiced concern about Jay and Nicole both being able to sign checks. Conflict is avoided by someone other than Jay signing checks payable to Nicole and vice versa.

Helen is assuming the motion. James moves to approve the above signatory changes, Cat seconds the motion. Motion is carried.

Katie says inventory in the trailer is not accurate. She will inventory all the assets located in the trailer in November after our Harvest Hoedown festival.

b. Vice President: See attached.

c. Secretary: Nothing to report

d. Treasurer: See attached.

i. 2024 Financial Results. Helen has a question about what information is sent to the delegates. Board of Director meeting minutes are available on the ASDSC website, which is accessible by anyone. The report on the website should not have bank account balances, therefore the report will have redacted dollar figures when posted.

ii. 2024 Referral to Audit. Rochelle has balance sheet and Income statements for the year. Net revenue was -2816 and gross revenue was less than $50,000. This topic is referred to the audit committee. No vote is necessary.

e. Membership Chair: See attached. Palma states that they have been flexible on payment of dues deadlines for November, but this could be a point of discussion during a future meeting to cover deadlines. In the past, everything went through the US postal service. Now, all membership, state and USDA data and transactions are electronic, so we can be more flexible on dates. Jay says our Standing Rules state that October 1st is when association dues are due. Jay reminds us to make sure to document dancers who are members of other clubs. Rochelle, our Treasurer, has to send a check to the state to complete the insurance process. A reasonable deadline might be sometime in October. Make sure to fill out a class sponsored roster for brand new dancers in your SSD classes. Helen requested a hold on further discussion on this topic, as she will get more information at the May state meeting.
Palma has an option she can use to distribute a new roster for your club if needed. Palma, as Membership chair is in charge of the facilities and takes care of the facility insurance paperwork (CG26 form). Sue, as part of the committee, takes care of fairgrounds, Placer County and the golf carts. Dan Rife stated that he received an email from Sheryse Lewis, Placer County Hall Coordinator on December 11th, stating our insurance was expiring on January 1st. Sheryse stated that Jay is her primary contact. If insurance gets delayed, Sheryse needs to get notified. Sue states that she resolved the issue and worked directly with Sheryse in December. If dancing at a different facility, please notify Palma and may need to request insurance information for the hall. Any questions or issues, send email to membership@asdsc.org.

f. Website Chair: See attached. Dieter thanks everyone for proactively getting information to him as quickly as possible. Please note that the bottom 7 items on page 1 of his report and the top 7 items on page 2 are duplicated. Dieter's health issues are greatly reduced and he is able to do the job. If have any changes, classes, dances, etc., please send to website@asdsc.org. Harold is taking care of the Facebook page.

g. **Harvest Hoedown Chair:** See attached.

i. 2024 Final Report. 378 attendees. Report will release after the audit in March.

h. **Promotions Chair**: See attached. John has had some caller requests. He's rotating requests through the available callers.

i. **Sunshine Chair:** See attached.

j. **Investment Advisor:** See attached. Investment is stable. He's adding Helen and Rochelle as signatories. It may be prudent to have a small percentage of the investment moved back into equities at some point. He will meet with Helen next quarter.

k. **Past President:** See attached.

i. 2026 Royer date requests. Jay will handle requests for 2026 dance dates to be submitted by June of this year.

ii. ASDSC Guidelines Committee. Half of the executive board members have already submitted their guidelines. Jay would like to have a meeting to discuss guidelines after our audit is complete. This will also allow Helen and Rochelle to settle in before having this meeting. This meeting should include all executive board members, but is open to delegates if desired.

ii. Harold ~~is president of VFW~~ was the Veterans Hall Board President here in Roseville, but his term has ended. Harold is still on the Hall Board and still a resource if we need something presented to the board. We may need to put away all the tables in addition to the chairs. Jay will check with Harold to confirm the condition of the hall after events are completed. Items on the stage can be left where they are.

Club's Delegate Reports:

- Apple Jacks & Jills: See attached.
- Capital City Squares: See attached. Saturday dance was successful with 3 advanced squares during the day, and 6 squares in the evening. All attendees had a great time.

- Prime 8s: See attached.

Current Business

a. **2025 Budget Review & Approval.** Budgets are a plan for the future whereby you, the clubs, establish goals & set policy for the good of the collective of clubs.
   1. Look at the BIG picture
   2. Examine & question the pieces of the picture
   3. Decide whether the picture is the desired picture
   4. Brainstorm our way to the future

   Quickbooks (QB) balance sheet shows values from 2017. Assets, no liabilities, equity. Only 2 accounts are managed in QB – Harvest Hoedown and general account. Ameritrade account (investment) is not managed by QB.
   2025 proposed budget:
   Revenue producing: ASDSC dances, membership, Harvest Hoedown.
   Overhead = Expenses:
   President: SOS $20, state council travel $300 (1 in person, other 2 via zoom), officer badges $45, trailer storage $480 ($40/month), Trailer misc.: $300 for trailer/wheel cover to be replaced every 3 years. Expenses in this category total $1145. Trailer registration renewal will be in 2026 or 2027.
   VP: 5th Saturday dances: ASDSC pays for caller and cuer, while clubs get the proceeds from the dance. If caller travels more than 50 miles, we pay a $50 travel uplift. Helen suggests finding another way to help the clubs rather than just getting funds from a dance. Helen says an easy fix is to pay the caller and cuer directly out of the event proceeds, with the remainder going to the club. This works if we have a dance that nets $800 or so. Sue states that the dance has to have at least 4 squares of attendees in order to break even. Eric Henerlau, caller for 5/31/25 dance is getting paid $350 + $50 for travel. Other callers are paid $250. Jay provided some background details and history. There was a temporary change made for ASDSC to pay for hall rental, caller and cuer after Covid. The Veterans Hall is now 'no cost' to our organization. Maybe clubs should at least pay for the dance cuer. 5th Saturday dances are costing ASDSC more than is possibly beneficial to the struggling clubs. Food for thought and further future discussion. John requested reimbursement for paper for fliers: $200. Expenses in this category total $1525.
   Secretary has $100 expense. Zeroed out because no expenses.

Treasurer: QBO is $90/month for 9 months. Increases occur in October. If 11% increase occurs cost would be $99/month for 3 months. P.O. Box is $200. Expenses in this category total $1307.

Harvest Hoedown: Target attendance is 400 for 2025 and 2026. Katie is requesting a grant. 2025 contracts are locked. 2026 camping fees will be increased. Katie is trying to get fees and costs down. She says that we have a $10,000 cushion for expenses. Featured staff has complained about the Bonanza Inn, so alternatives were evaluated. Costs are increased by 10% for 2026. Early bird typically gets a $5 discount. If $75 festival fee, Early bird fee will be $70. Contractors and Rents are the major costs. Cost per dancer based on 2024 number of dancers was $25.40 for contractors and $61.28 for rents. For 2025, with 400 dancers, these numbers are $29.00 for contractors and $58.64 for rents. With current figures net profit/loss for 2025 Harvest Hoedown will be -$4369. We would need to charge $100 per dancer, in order to make a decent profit. Katie says that we cannot charge much more than $70 because people will not pay more. Silver State Festival charges $73. Jubilee Festival (Association driven) in San Jose and Bakersfield (Private) festival are competition for us. Silent Auction provides additional income fortunately. Since the Covid pandemic we have not been able to hold a profitable Harvest Hoedown. Prior to Covid, $10,000 profit each year back to ASDSC. A 3.35% fee is collected by credit card service provider which totaled $331 for last year's HH. This cost should be passed on to the purchaser.

Membership: We paid $6/dancer for insurance. $2329 income to ASDSC from $15 dues.

Website: GoDaddy, Square Dance Tech, MyWorks Software, wordpress.com, WP would have been almost $1000/year. Eliminated everything except for GoDaddy and Square Dance Tech. Expenses in this category now total $662.

Sunshine: $94.81 was expended on one bouquet last year. Budget for current year is $100.

2025 budget results in a deficit of $6,779 (corrected from -$6,579: $200 printer/paper excluded from calculation). Helen recommended that we accept the budget as is, with the provision that changes will need to be made over the year.
James made the motion to approve the budget. Bob seconded. Motion carried.

b. **Open Forum for the Good of the Order**

Goldancers stated that they are not a struggling club. This is partially due to involvement at the Mandarin Festival added $3500 to the till over the years. The Clothes closet opportunity at HH. City festivals and volunteer work are all suggestions for struggling clubs.

Judy noted the need to reschedule the November meeting to a date not in conflict with November Magic weekend. Jay has the meeting scheduled for November 2nd and will relay that information to Helen.

Our next Board meetings will be:

- May 4th at the Veterans Memorial Hall, Roseville at 1:00
- August 3rd at the Veterans Memorial Hall, Roseville at 1:00
- November 9th at the Veterans Memorial Hall, Roseville at 1:00 –** confirm reschedule to 11/2**
- February 2026 TBD

James moved to adjourn the meeting. Bob seconded. Meeting adjourned at 4:26 PM.

ASDSC Membership/Insurance Report

Submitted by Palma Lower, Membership Chair

2 February 2025

As of 30 January, the ten Association clubs have memberships totaling 292 individual dancers. In addition, a relatively large number of dancers are members of more than one club, giving the Association another 73 memberships (365 total memberships). All members whose names have been submitted have been enrolled in or added to their club's 2025 insurance roster. This year the Certificates of Liability for the facilities are being overseen by Sue Regadanz; all requests made to date have been fulfilled.

The duties of the Membership Chair, who is appointed by the President, are outlined in the Standing Rules, section XI E:

1. This Chair has not had to receive, review or present any applications for membership in the Association.
2. Information about dues and forms has customarily been announced at Board Meetings and specified in the Chair's report. Copies of forms were provided to club delegates over the last two years, and all club officers and members needing writable PDFs of them have access to them on the usda.org website. The designated point of contact for the club has, in the past, always been the person submitting the request to the Chair. If this is to be a more formal designation, the delegates will be asked to have a club officer submit the name of the contact to the Membership Chair.
3. The Membership Chair has customarily forwarded copies of rosters and COLs to those Executive Board and club members who have requested them. A more formal distribution list may be generated.
4. At present, hard copy and electronic records of membership are maintained by club (there are separate rosters for members insured by the club and members insured

through another club, as required by the State Council). Members by name are filed on QBO, and it would require a massive undertaking every year in the initial enrollment period to insure that each named member (1) was a member for the upcoming year and (2) had all club memberships listed. Very few individuals are deleted from QBO because it is also providing information about the individual's history and Association accounting. A separate file of membership by name may be a job for someone with the technological know-how to construct one.

5. No club has ever been so much in arrears as to require more than a gentle elbow in the ribs.
6. The procedures that the State Council Insurance Coordinator requires member Associations to follow have changed over the last three years. The Guidelines, when they are completed, will reflect the current processes.
7. This Chair has been present at all Board meetings.
8. This Chair has membership records (hard copies and electronic for the last two full years. Some of the previous year's records are held by Sue Regadanz, the previous Chair.

Website Information

As in previous reports, I would like to stress again, the information available on/for the web-site and Facebook is only as good as the information that is provided by members of ASDSC and sent to the ASDSC Website Coordinator. Although we do go to various dances to collect new fliers, etc, we do NOT always get to each Club and don't always have access to all flyers. Therefore, to that end, we do need assistance in collecting that info – please send us info ...

1) If your club has a change in officers, or a change to the detailed for those officers
2) if your club has an upcoming dance or other event
3) if your club is starting a new dance class
4) (**NEW**) In order to insure that the clubs get information, please provide the names and emails of 2x people in your clubs that are to receive future sent out information.

We do our best to get any new information received onto the website as soon as possible. Thanks.

CLUB DELEGATE REPORT

Club Name Harvest Hoedown Date Feb 2025

Delegate Name Katie Pearce

Registration numbers for October 2024. Total 378 2025 Early Bird registrations 104
See Presented budgets for financial details.

Charlie Robertson has agreed to do a Callers Workshop on Friday October 24th. I will be applying for the Callerlab Foundation $300.00 Grant to help cover expenses. ASDSC is eligible for 3 grants in the association's lifetime. With this application, we would be eligible for one additional Grant application.

We have signed fairgrounds contracts, golf cart reservations and are working with Holiday Inn Express for a special rate for our Featured Staff, and possible extra rooms for 2025.
There were several complaints from Featured staff last year regarding the Bonanza Inn, so we have looked for another venue for featured staff.

We will be looking for volunteers to be MC's and count takers in the Halls over the weekend. If you can volunteer for a dance session PLEASE let Bonnie Abramson or Katie know.

The committee is continuing to look for ways to decrease expenses and increase income.
Please help by advertising Harvest Hoedown at your clubs and all events you attend.

We have 2026 signed contracts for Featured Staff: Eric Henerlau, Randy Dibble, Patty Kennedy-Greene, Ted Lizotte, and Randy & Marie Preskitt. We have the dates reserved at the Fairgrounds and were informed that RV rates will be going up to $50.00 a night.
The registration fees for 2026 will have to be increased.

OFFICER REPORT

Officer Name: Jay Aldrich

Officer Position: Past President

Date: 02/02/2025 Comments:

Continuing working with the incoming President and the rest of the Executive Committee on the transition.

At the November 2024 ASDSC Executive Committee meeting, a voting member of the Executive Committee asked if they could vote on the ASDSC ballot as a Delegate. I said no as they should not have a vote on both committees for an important vote as the ballot. Under the current ASDSC Standing Rules it states:
"Once elected (Executive Committee), no person shall serve as a delegate of a Club during his/her term of office."

We also a Club President submit an Absentee ballot, but the club's Delegate rightfully filled out the ballot as they saw fit. Under the current ASDSC Standing Rules it states:
"All members of the Association may attend Board meetings but only one Club Representative may make motions or vote on issues before the Board."
"Each Member Club Delegate shall have one (1) vote."
"Delegates, by a majority vote, shall elect officers for the Association."
"All Officers shall be elected at the November Board meeting."
"All Officers shall be elected by majority of ballots cast by the Board members present."

The ASDSC Standing Rules does not currently exempt absentee ballots, but I can make the argument that only "... cast by the Board members present" doesn't allow absentee ballots. Do we needed to update the ASDSC Standing Rules? We are hoping to have new Guidelines for every Officer completed this year.

Thanks, Jay Aldrich
Past President

Our Cast A Shadow on Spring dance will be held February 1st. I'll know the numbers who attended at the meeting. Our next dance will be our 44th Anniversary Dance on November 15th with Albuquerque's Kris Jensen calling at Royer Park. A special thank you to Jay for sponsoring our dance under the ASDSC banner!

We are graduating our latest SDD class in early February. We anticipate that the four graduates will join the club. One person from our last class has continued to dance with us. We are working on revising our messaging about the club and benefits of square dancing to entice new graduates to continue to dance with us.

We are offering an SSD to Plus bridge class starting February 19th, called by Allan Hurst. Cost is $25.00 a month (equivalent to our regular monthly dues, which cover hall and caller costs). Our class is open to any SSD graduate who has been dancing for at least 6 months at the SSD level. The first hour of the evening will be floor level dancing, with the new class running from 7:30 to 9:00 PM. We anticipate that the class will run for about 20 weeks.

The annual IAGSDC square dance convention will be in San Francisco this July 4th weekend with 13 callers scheduled!. Some of our club members are on the planning committee. Go to https://hitchhikeacrossthegalaxy.com to check things out!

Delegate report submitted by representative Catherine Leavitt - Goldancers Publicity.

The current new dancer class with Goldancers has completed the SSD program. They are continuing their learning with mainstream calls and are doing very well. One new dancer is 11 years old and is a delight to the club. She comes with her grandpa and is learning to dance with enthusiasm. She pays her dues monthly and helps with square head hosting duties. She is a key part of the next generation of dancers.

Our Christmas with the Ghostriders dance on November 30, 2024, with Kip Garvey calling and Dan & Allison Drumheller queuing was an enormous success. We had thirteen squares and 126 people in attendance. Thank you to everyone who came out to dance.

Mark your calendars for our upcoming dances:

April 6th, 2025: The Goldancers and Apple Jack and Jills are in collaboration to bring two incredible callers, Kip Garvey and Andy Allemao to Royer Park on April 6, 2025, from 2:30PM - 5:00PM. Join in the fun as we celebrate our 76th Anniversary along with AJJ Ice Cream Social. It is sure to be a wonderful day of dancing! There will be food, ice cream, door prizes and a 50/50 raffle.

May 31st, 2025: ASDSC 5th Saturday Dance with Eric Henerlau calling and MaryAnn Callahan cueing. Dance into Summer hosted by the Goldancers. Rounds 6:30pm - 7:30pm SSD/Plus 7:30pm - 10:00pm with a round every other tip.

Mavericks Square Dance Club Report

Mavericks had a fun, successful New Year's Eve afternoon dance. There were 10 squares dancing to Casey Parker with Sharon Parker doing the rounds. We plan to do it again this year. Mark your calendars now.

Feb. 8, Mavericks will hold their Valentine's Day Ball with Lawrence Johnstone calling and Mary Ann Callahan cueing.

On March 8, we will have our St. Patrick's Day Frolic. It will be a green event! Tim Pepper will be our caller with Bev Pepper doing the cueing.

Special Event: On March 30 the Mavericks are teaming with the VacaValley Ramblers to host a Green Caller Hoedown (Callin'O'Green). It will be 1:30-4 PM. Kip Garvey and Tim Merino will host this event. It will be at SSD level. A great opportunity for clubs to bring their SSD dancers. It is for new callers to participate. As we all know, there is a need for more callers in our communities. There will be give aways, door prizes and loads of fun.

On January 22, we started a new SSD class. We are currently teaching/dancing 2-3 squares each week.

Club Attendance
Our current club schedule is as follows:
6:30-8:00 pm A-1 Class
8:00-9:00 pm A2 Workshop

Events
1. In December, we held our annual Christmas Dinner and Dance. There was food aplenty, and the dance program centered around our A-1 class level. Our annual tradition during this event is to solicit donations for the Court Appointed Special Advocate (CASA) program. This year's donation came in at $220.00. Thanks to our participants for their generosity!

2. Advance (A-1) class (began in September 2024) is going very well. Our A-1 class members are learning quickly, and demonstrating competence in their dancing. We are happy to report that we have received multiple comments from both the class participants and club members alike that people are happy with the atmosphere that has emerged since this group has come together. Everyone is enjoying Monday nights!

CLUB DELEGATE REPORT

Club Name: Whirl-A-Ways

Delegate Name: Dan Rife - Caller Coordinator (Report prepared by Judy LaFrance - President)

Date: 02/02/2025 Comments / News / Dances / Projects:

Elections were held at the beginning of December, keeping Judy LaFrance as President, Carol Howard as Secretary and Dan & Marva Rife as Caller/Cuer Coordinators. Cheryl Tiburzi was nominated as Vice President and Kevin Klein as Treasurer.

A2 class workshop attendance is typically from 4 to 6 squares. We actually had 7 squares on January 14th, which gave our caller Scott Pearce a bonus! Full A2 workshop starts with 3 to 4 squares, and ends at 10 PM with 1 to 2 squares.

Starting in January, Dan & Allison Drumheller have taken over from Kevin & Vicki Klein as our club round dance cuers. They hold a round dance teach before class and Dan cues between tips from 7 PM to 10 PM.

Our next club dance is Friday, January 31st with caller Michael Levy and cuer Sharon Patterson at Veterans Memorial Hall at Royer Park. Pre-rounds from 7 to 7:30pm, followed by advanced squares from 7:30 to 10pm. Alternating class level A2 and full A2 with double rounds after class level tips.

We will have a Springtime club dance on Friday, March 28th with caller Tim Stephens and cuer Rikki Lobato. Same format as our January dance.

Our A2 class will complete in May 2025. The club has decided to postpone a new advanced class until January 2026, so that our members can practice, reinforce knowledge and become better full A2 dancers.

Save the Date: November 11, 2025: Veteran's Day Special Dance featuring caller Jet Roberts. We do not have a flyer yet. It will be a full A2 level dance on Tuesday, 11/11 from 7 PM to 10 PM at Veterans Memorial Hall at Royer Park. Dan Drumheller will probably cue between tips, since this is a normal workshop night. All A2 dancers in the area are invited to attend. Veterans will be welcomed with no admission fee. All other guests with a $10 donation.
