November 2nd, 2025, 2:00 PM

Denny's @ 122 Sunrise Ave, Roseville, CA

P.O. Box 8942, Citrus Heights, CA 95621

Called to order: at 2:06 PM by President Helen Halley

Pledge of Allegiance: led by Jim Leavitt

Determination of Quorum: by Secretary Judy LaFrance. Quorum achieved. See attached sign in sheet.

Approval of Minutes: Sara moved to accept the minutes as written. Jan seconded. Any discussion on the minutes? None. All in favor of approval? Any objections? Hearing none, the motion carried.

Officer Reports:

President: See attached. Additions:

- Nothing much has happened other than Harvest Hoedown. Palma is retiring. Chris Quentmeyer has been nominated to replace Palma as Membership/Insurance Chair. Helen talked to someone about Promotions who recommended Leif Jones. He has graciously accepted the position.

Vice President: See attached.

Secretary: No report.

Treasurer: See attached.

Chair Reports:

Membership Chair: See attached. Additions:

- Thanks to everyone for getting membership information and checks to her. The minute the portal is open, she will be uploading the data. Any 2025 business that needs to be done, please let her know. Palma is sharing her processes with Chris.

Website Chair: See attached. Additions:

- This quarter is very busy. Planning for next year's activities. Please get dance information to website@asdsc.org as soon as possible. Place savers are important to get on the calendar. They significantly reduce conflicts.

Harvest Hoedown Chair: See attached. Additions:

- 2026 registration is open. Encourage club member registration now.
- Dan Rife worked the silent auction at Harvest Hoedown. 67 items brought in $2600. Thanks to all the clubs for their donations.

Promotions Chair

- Referring to the handout indicating 4 logos, the capital image emblems were created by *Signs by Scott* about 20 years ago, while the arch with dancers emblems were created more recently. Helen envisions giving a business card to potential dancers with whichever emblem we prefer, and a QR code to the 'learn' page of the ASDSC website. Do we really need to have the ASDSC logo on the card? Is it fundamental to finding out more about the activity? Should our logo be changed? Helen says marketing feedback came out that the fluffy dresses were not popular.

  Leif recommended that simplicity and minimalism are best. QR code front and center and/or the company name.

  Some ideas that were offered:
  - Benefits of square dancing listed on back.
  - Card has to be something that we would be happy to pass out.
  - Jim says that he thinks a redesign of our logo would be a good idea.
  - Dan likes the capital design with lots of information on the back.
  - Nicole doesn't like the *Live Lively* logo.
  - Corky likes QR code with Capital logo and comments about dancing.

- Becky likes the capital building better than dancers.
- Jan gets feedback that women love the dance clothes.
- Don says keep it simple, QR code on front, eliminate dancers due to negative connotation of dress.
- Catherine says a logo is branding so we need a well thought out, redesigned logo. Include 'Learn to dance'.
- Sue says the logo of the dancers dates us, we are trying to bring in younger crowds. Likes the capital building logo.
- Nolan suggests QR code front and center. 'Learn to dance' next to QR code. He likes the capital image, but it's not dance-centric.
- Sara wants QR code on the front. She likes what Catherine said.
- Katie said the Callerlab website has an updated attire which might be preferable. Replace the dancers in the ASDSC arch.
- Jay said that we can modify the Harvest Hoedown logo as well.

We can vote on the business card design out of a selection of a few.

Sunshine Chair: See attached.

- Anita recommended texting her with Sunshine requests.

Other Standing Positions:
Past President: See attached. Additions:

- Jay is having a harder time booking dates for Veterans Memorial Hall at Royer. Half of ASDSC approved dates got canceled. We need to diversify. Can we find other dance halls for the association and clubs to dance at that are big enough and centralized for all clubs to be able to access? Venues could possibly include churches and gyms. Roseville Maidu Center has halls with various pricing. John said that Elks Lodges won't work because they have a rule that for every one member, can only have 3 non-Elks attendees. Jay would like to have further discussion concerning this important topic.

Investment Advisor: See attached. Additions:

- Mike made an investment strategy change in August, resulting in making about twice the interest than before the change. The jagged line is due to more volatility.

Club's Delegate Reports:

- Apple Jacks & Jills: See attached.
- Capital City Squares: See attached. Additions:
  - DARK, no dancing on 12/24 and 12/31
- Diamond Dancers: See attached.
- Goldancers: See attached.
- Good Vibrations: See attached.
- Mavericks: See attached.
- Oroville Promenaders: See attached.
- Prime 8's: See attached. Additions:
  - Potluck will be held on 12/15.
  - There is a conflict in April, so will use the Dance Conservatory in Roseville.
- Sierra Squares: See attached.
- Whirl-A-Ways: See attached.

Current Business:

- Helen asks to refer to the 2 calendar printouts and Royer weekend date listing. Do we try to book our 2 canceled 5th Saturday dances for Sundays? Do we need to change the title of 5th Saturday Dance if we hold it on a Sunday? Two dances were canceled: Apple Jacks & Jills for May 30th and Whirl-A-Ways for October 31st. Rochelle offered that the clubs would probably need to be involved in making that kind of decision.
  Jay is looking at the Veterans Hall Royer calendar for September 19th and notes that Prime 8's has the hall from 12-5 and Mavericks have the hall from 5-11. He had provided this information earlier, but did not get any feedback from the clubs. Prime 8's expected to have the hall all day.

Oroville Promenaders have the hall on September 20th. September 27th is an ASDSC dance.

Katie said it's important to get those event dates on the ASDSC calendar. Jay says that if we have too many dances during the same time period, even though they are different levels, dancers may not go to every dance.

Catherine asked for March 22nd for Goldancers but she doesn't see it listed. Unfortunately that date is now booked until 4 pm by another entity. As soon as the approved calendar comes out in mid-October, the available dates can possibly get booked by other groups. Jay books the events for Royer, except for Mavericks and Whirl-A-Ways clubs.

Helen will send out an email with a link to the Veteran's Hall Royer calendar. Compare what dates Royer has available with the ASDSC calendar and your club's calendar. Contact Jay to request a date/time. After requesting a date, with Jay's authorization, send a 'save the date' to Dieter at website@asdsc.org. If your requested date is not approved by the hall, the event can be removed. Once confirmed, send email to website@asdsc.org to change the event to 'active'. Send him your flyer when available.

Jay said that once air conditioning is put in (in ~6 months), demand for the hall will go up. Veterans and Scouts are using the hall more often, so our events are getting bumped. If requesting a Saturday night, choose a Sunday as a backup date.

- Elections: John handed out ballots to each delegate. The ballot indicated one name next to each elected position. President: Helen Halley; Vice President: John Crowston; Secretary: Judy LaFrance; and Treasurer: Rochelle Best. According to Jim Leavitt, since there is only one name per position, we can ratify with a simple show of hands. All delegates raised their hand. All candidates are approved for 2026. Helen stated that

appointments will occur before the next meeting. Helen will hold one-on-one conversations with everyone. Three basics will be discussed: What is the purpose of this role? What is the responsibility of this role to the delegates/clubs? What is the club's responsibility to this role?

Open Forum for the Good of the Order

- The ASDSC trailer is currently being stored on Sue Regadanz' property. The association is thankful to Sue for providing this service, but it is far from the Yuba Fairgrounds. We would like to find a place closer to store it. Alternatively, is someone willing to go to Sue's property to transport the trailer? Helen said she is communicating with someone who might offer an alternative location. The trailer is 'tight' and locked with a cover that covers the whole trailer and tires. Jay says we have relied on the Pearce's good grace for trailer transportation so far. It is a lot of time, effort and cost for them to do so. Katie will be tracking their personal Harvest Hoedown expenses better.

- Jay is working with the Guidelines Committee to document day to day operations for all ASDSC positions. He will go through the executive committee first, then to the delegates.

Future Business:

Our next Board meetings will be:

- February 1st 2026
- May 3rd 2026
- August 2nd 2026
- November 1st 2026.

Jan moved to adjourn the meeting. Nolan seconded. Meeting adjourned at 3:55.

Respectfully submitted by Judy LaFrance, Secretary

Current Affairs of the Association

This month we are having a couple of guests for this November meeting. At the last meeting, Palma informed me that she would not be able to continue in the role of Membership Chair. And I've been thinking all year about a direction to take with Promotions. So please welcome Chris Quentmeyer as she prepares for the Membership role and Leif Jones as he helps us ramp up our promotions.

Membership/Insurance Report

Submitted by Palma Lower

November 2, 2025

As of November 2, the 2026 window of the USDA insurance portal has not been opened for enrollment. When it is, all clubs will be ready to upload. When a check has been sent to USDA, I will be forwarding club rosters to the contact members who sent me their lists. Before Nancy Shelton, the State Council Insurance Coordinator, can send that check, she has to verify the insurance status of those dancers on MITAC lists. Any inaccuracies have to be corrected before she can proceed, and this delay could impact other aspects of insuring a club, such as facilities renewal and event certificate requests. A club's initial enrollment must be completed, and the insurance for those dancers paid for, before Nancy can request certificates for 2026. It is possible to add dancers after initial enrollment, to the club's insured dancer roster or to its MITAC, so there is always time to accurately determine a member's status.

In January of 2026, Chris Quentmeyer of the Goldancers will be stepping in as Membership/Insurance Chairperson. She is working with me on initial enrollment and with Sue Regadanz on facilities renewal. Clubs should continue to contact me with questions or lists of new dancers until Chris has settled into the position.

In her last State Council Insurance Report in September, Nancy gave us a heads up on an additional insurance document that some (not all, thank goodness) facilities might request of a club that is dancing or will dance there. This document is called a "subrogation waiver." Nancy has no additional information from the insurers yet, so we are not able to give the clubs any specific details about their facilities. However, if and when a waiver is required, there will be some mechanism in place for acquiring it. All clubs should be aware that this could be a requirement for a particular facility, and the club contact requesting a COL should add "Is a subrogation waiver required?" to the list of questions for the facility representative.

In spite of all of the work associated with insurance for 2026, there still may be business for 2025 that needs to be addressed. If there is a new dancer class that needs to be insured, or

an event in December that requires a COL, or even new members who want their insurance to start immediately, the window for submitting those requests closes on or about the first of December. If there is an unforeseen difficulty, let me know immediately and I will contact Nancy, to find out what she can do. Be sure to let me, and Chris, know if your contact person for insurance changes. Especially, with a new facilities requirement in our future, getting information and resources to the clubs may become a matter of some urgency. All of us involved in insuring the Association appreciate your cooperation.

CLUB DELEGATE REPORT

Club Name Harvest Hoedown Date Nov 2025

Delegate Name Katie Pearce

Comments/News/Dances: (Please type or print clearly using black or dark blue ink only.)

Harvest Hoedown went very well despite the weather.

There were 20 Callers in the Caller Clinic. They range from brand new callers to veteran callers. Everyone said they learned something new. We have received a Callerlab Foundation $300.00 Grant to offset the cost of the clinic.

As of Saturday night we had 338 registered Dancers.
We have 101 Early Bird registered for next year.

We do have a few outstanding bills before we will have a complete financial report.

Everyone had nothing but compliments with our Callers, cuers. And the festival as a whole.

The website for 2026 registration is up and should be ready to take registrations.
All of the registration information is up on the website. **Encourage everyone to register early.**

There are a few challenges coming up. The ASDSC trailer is currently stored in Galt. Thank You Sue for your generosity. The challenge is finding someone who can pick up and return the Trailer to Galt. The Wednesday through Sunday of the Festival

Club Delegate Report

Apple Jacks and Jills November 2, 2025

Delegate Name: Sara Stenger, President

Comments/News/Dances:

Sad news: We lost one of our longtime members, Paul Giardina, to cancer. He will be sorely missed.

On a happier note; we have been enjoying our extra plus workshops with Tom Bolton on specific Friday nights. It has been very helpful for reviewing calls that we need help with. Our last one for the year will be November 21 at our hall, (East Hall, Veterans Memorial Building, 130 Placerville Dr., starting at 5pm for SSD dancers learning plus and 6pm for Plus Dancers $10.00 donation requested) We will let everyone know dates for 2026.

Speaking of Tom Bolton. Scott Pearce gave his notice in September and will be leaving our club at the end of the year. We will miss him and hope that he will come visit and perhaps be available to call sometimes. Tom will be our new caller beginning January 1, 2026.

October 29 we enjoyed our usual Wednesday workshop, but with a potluck and costumes. Loads of fun.

January 11, 2026 we will be holding our annual Snowball Dance. This year it will be at Shingle Springs Community Center 4440 S. Shingle Rd, Shingle Springs. It is for SSD and Plus and takes place from 1-4pm The caller is Laurence Johnstone

We continue to hold “social” activities to help with member retention and just for fun. Any suggestions for workshops and outings to add to the fun, let me know.

We have 42 members and 8 Board members

Meeting Date: November 2, 2025

Current Updates:

Our board has decided to push the start of our new Mainstream class to January, rather than the usual date in August. The date for the beginning of our new class will be January 21, 2026, with two free intro nights on January 7 and January 14.

As we normally start a new class in August, we are taking the time to enhance and strengthen our newly graduated plus dancers from our SSD-to-Plus bridge class.

We are contacting locations in Sacramento to hold a once-a-month Friday night dance night, and several locations have been looked into. We are hoping to start this event in January 2026. If not January, then February.

Future Events:

Capital City Squares will be presenting our 44th Anniversary Dance with Kris Jensen from Albuquerque, New Mexico on November 15th. This will be held at Royer Park (thank you to Jay for hosting this under the ASDSC banner), and will include A1 and A2 from 2:30pm to 5pm, and then SSD and Plus from 7pm-10pm.
