  Dan mentioned that he puts together a dance schedule which gets posted on WAW website each year. The 2027 schedule will be posted after dates are finalized.

Current Business:

- Website event categories for Festivals, Dances, Workshops/Classes. Each event fits into one of these three designations. Helen envisions the 'Learn' page being designed for potential dancers, rather than showing class options. Sara Hodge (Prime8s) is not sure that makes sense. New dancer classes and existing dancer classes should be identified and clarified. Include that there is an expectation for class members to attend each class in the series. Sara H. thinks there should be one Learn page for brand new dancers and another page for current, experienced dancers, a 'Grow' page.

Ray is responsible for the ASDSC web design. Katie is looking at our website and it is not obvious where to start. Sara Stenger (AJJ) says we need to provide definitions: 'What is a workshop?', 'what is a dance?'. A new dancer needs something very simple. When sending a flyer to Dieter, make sure to be very specific on what the flyer is concerning, ie. new dancer class, xx-level workshop, dance for xx-level dancers. Helen agrees that our Home page needs to be redesigned.

- Veterans Hall, Royer Park contributions. A mural supporting our veterans will be painted on the wall facing the parking lot. They require $10,000 to start the project, and $25,000 total. As part of the project, a list/plaque of donors will be posted. Do we donate as an association in addition to the clubs? Katie stated that every club in this association gets this hall for free, so ASDSC should make a donation to the hall as well as the separate clubs. Many delegates state that we should support the Veterans. Dan offered that Whirl-A-Ways has already started to collect donations and will match up to $300. Prime8s will donate $500 and is encouraging others to donate. For more information and to donate: https://bluelinearts.app.neoncrm.com/forms/mural-for-veterans-hall and https://www.canva.com/design/DAHG3ARjcrg/-PQi9hV18n4k9bZrC7cUmQ/view?utm_content=DAHG3ARjcrg&utm_campaign=designshare&utm_medium=link2&utm_source=uniquelinks&utlId=h41448434f3#1
- Open discussion about dues. 2026 Budget and numbers: refer to handout provided by Helen. Voting on squares of paper provided, indicate 'E' for executive or 'D' for delegate. Then two numbers: first one is for 2027 dues: $15, $17, $20, or anything in between; second one is for donation from ASDSC to Veteran's hall mural. Dues results: Five at $17, 3 and $15 and 2 at $20. $17 is the choice from the delegates. Executive committee is aligned. It is decided that 2027 dues will be $17/dancer.
- Numbers for Veterans Hall mural donation range from $250 to $5000. Sara H. suggested that we have a discussion. Sara S. would like to have the suggestions presented. Sue has been dancing for years and the Veteran's Hall has been very good to us. Sue suggests $[redacted] since we do have the money in investments that is still growing. Helen has been trying to get the investments back to $[redacted] and is trying to break even on operations. Katie provided some ASDSC background information: 20 years ago, ASDSC had wanted to buy land and build a dance hall, which was the impetus for

the investment. Before Covid, Harvest Hoedown profits paid $8000 to $9000 back to the association. Now we have flipped this relationship because Harvest Hoedown cannot pay for itself. There is a shortfall of $[redacted] again this year with committed expenses. The last expenditure out of the investment fund was to replace our trailer in 2023. There are no other planned expenditures out of the fund. Helen will commit to Katie to have a better understanding of HH expenses. Sara S. suggested we use the 12 month investment increase of $[redacted] as a donation. There is no cutoff date for the donation. Dan stated that you can give some now and more later. Don inquired about a tax write-off. Donations to 501(c)3 organizations are tax deductible and Blue Line Arts is designated as such. Kristy made a motion to take a straw poll with the information they have at hand. Another vote of only delegates still produced a large range of figures. Sue made a motion to table this topic until our next meeting. Nicole seconded. Motion carried. Mural donation from ASDSC will be addressed in November.

- Open the nominating committee for November elections.

Open Forum for the Good of the Order

- Katie suggested using the club's folder for placing fliers, so that extra fliers don't get thrown away.

Future Business:

Our next Board meetings will be:

- November 1st 2026 – location TBA
- February 7th 2027
- May 2nd 2027
- August 1st 2027
- November 7th 2027 (This is the first full weekend of November, therefore it conflicts with November Magic)

Nicole moved to adjourn the meeting. Jan seconded. Meeting adjourned at 3:19.

Respectfully submitted by Judy LaFrance, Secretary

Officer Report

Officer Name: Helen Halley, President
Date: 2 August 2026

The issues I've encountered since our last time together need some resolution.

Per our conversation at the last meeting, we need to decide whether to keep the ASDSC dues at $15, increase to $17 to account for last year's insurance premium increase, $20 to keep the amount at a round figure and hedge against future expense increases.

Harold Hayek recently forwarded a call for donations to Royer to help them put a mural on the parking lot side of the building. Shall we make a contribution? Should that be a decision for each club? Or one for this association of clubs?

When are you starting your next beginner dance class?

Website events categories. My thought has been that the 'Learn' page should be for beginner dance classes which is partially reflected by the QR code on the business card sending a potential dancers to the 'Learn' page rather than the 'Home' page. The current categories are 1) Festivals, 2) Dances, 3) Workshops/Classes. I'd like to separate Workshops/Classes in a) Workshops, b) Classes. As you understand the events, are there scenarios that do not fit into one of these four categories?

As Katie and I were looking at promotions for HH, I realized that the ASDSC@googlegroups.com is being underutilized. It is currently being used by a short list of people for advertising their dances, which I understand was its intended purpose. Due to turnover in the dancer population, I believe it is not being kept up-to-date with new dancers. Shortly I'll be sending out an email to the delegates list. I'm requesting that this email be forwarded to your club's email distribution list. My email will contain a link allowing a dancer to request being added to the google group.

CLUB DELEGATE REPORT

Club Name Harvest Hoedown Date Aug 2026

Delegate Name Katie Pearce

Comments/News/Dances: (Please type or print clearly using black or dark blue ink only.)

We currently have 140 registrations and 86 nights of camping.
This number is much lower than last year.

It you take a moment to look over the financial statement of Harvest Hoedown, you will see the projections of our financial responsibilities.

This is why I keep talking about the need to push Harvest Hoedown Registrations.

Our Promotions person, Leif, and several committee members, are hard at work expanding ways to reach out to Square Dancers. As well as posting on numerous websites and Facebook pages.

Good Vibrations will be hosting Coffee and Donuts in the Plus Hall Saturday and Sunday morning. PLEASE SUPPORT THEM…AS WELL AS ALL OUR VENDORS.

We have 5 registered vendors. Signs By Scott will be there too.

The BBQ guys will be back this year. They will offer BBQ Friday night until 7ish Saturday evening. Come support them and enjoy some yummy food.

We are going to try a few "extra" things this year…keep an eye on the final schedule at the Festival.

Remember to talk with your clubs about Silent Auction items/baskets.

If you have a favorite restaurant or business you frequent, ask them for a donation, even a gift certificate helps. Leatherby's Creamery is donating a basket…all I did was ask.

We are always looking for volunteers….facilities, decorations and handing out registrations, especially.
Let me know if anyone would like to help and I will give the person's name to the right person.

Thank You

Comments / News / Dances / Projects:

Our club is doing very well; most Mondays we have 2 squares plus extra dancers.

Our summer format is to alternate the 50 Mainstream calls and Plus dancing each Monday evening.

The club will not have a 'New' class this fall but will consider starting one in early 2027.

The Diamond Dancers were 'dark' on Monday June 29th, however, on Wednesday July 1st thirteen of our dancers visited the Grand Squares at Trilogy in Rio Vista. Everyone had a great time.

Our Caller, Ellen Rosenbluth, has been attending some caller schools and taking voice lessons. When these fall on our club night, Tom Bolton and Casey Parker have graciously filled in for her. Thank you to Tom and Casey!

In July we lost one of our dancers, Kris 'Kyle' Wilkow. A Celebration of Life was on July 14th and our Diamond Dancer Club 'stepped up to the plate' for the family. Food and Flowers were provided. Dancers attended from not only our club, but also Capital City Squares and Mavericks.
Kris was a donor and received the 'Honor Walk' at Kaiser Hospital and a Medal for his life donations. Kris was 36 years old. He now resides in Heaven with our Lord.
His Father, Andy Wilkow continues to dance with us.

We had election of Officers in June. Effective July 01, 2026 we have a new President. The other officers will continue in their positions for 2026/2027.
Jim Decker - President (Barb Decker)

Our club is in the process of learning all the new calls for Mainstream and Plus in preparation for the Harvest Hoedown.

A month or so back we had a lady from Germany who was visiting family in the area and came and danced with us. That was fun and interesting.

We would like to thank all the dancers who came the Tuesday that Mike and his brother Terry called. We were just a couple of dancers shy of having 4 squares.

We had to go dark on July 14 because they were baking pies for the Peach Festival and had bugs in the kitchen. But we were back to dancing the next week.

We will be starting a new dancer class on September 8, 2026 with all the new calls.

Our Semiquincentennial dance was held on July 24, 2026 and featured caller Mike Wright and cuer Dan Drumheller. Caller Andy Allemao canceled due to his wife's health status. We had a nice turnout of 51 dancers (6 squares), including 9 guests and 8 class members. We made a profit of $177.

Our A-1 advanced class has completed about 2/3 of the curriculum. The class has shrunk to 12 dancers attending our weekly workshop. Students are doing very well.

We signed venue contracts with the Masonic Hall in Roseville and the Maidu Dance Studio for holding our workshops during voting and closure events at the Veterans Hall at Royer Park. We notified the Membership/Insurance chair and have the COL and necessary paperwork submitted.

Our next dance is our 56th Anniversary dance scheduled for September 25, 2026 featuring caller Michael Levy and cuer Kevin Klein, held at the Veterans Memorial Hall at Royer Park. Pre-rounds from 7:00-7:30. Square dancing from 7:30-10:00, alternating ful A-2 with class-level A-1 tips and single rounds after class-level tips.

Whirl-A-Ways board has decided to support the fundraiser that Placer County is promoting for a mural on the Veterans Hall building to support the veterans and raise awareness about veteran suicide. Our members are making their donations through us, and we will match their total donation up to $300.

We have our 2027 and some of 2028 dance schedule planned. Our 2027 schedule has been submitted to the Veterans Hall board for approval.

The Whirl-A-Ways club is celebrating new Golden Dancers in our membership: Dale Filbert (52 years dancing), Tammy Aronson (30 years dancing), Bernice Opichka (35 years dancing) and Carol Howard in August (32 years dancing).
