President Notes

by Gloria Singleton

Dancing in Kentucky in 2026 is in full swing! I hope you have already enjoyed a local festival or two this year. Glen & I have enjoyed "Spring Magic" put on by Rhythm Rounds and "Swing Through Spring" put on by Chuck & Kristy Woods, Wes & Sharon Fenton and Travis Cook. We enjoyed seeing many of you at these festivals and are sure you had a great time! There is much more going on with our wonderful clubs across the state and region and I hope you will take advantage of these and go visit a club near you.

Speaking of KDA clubs, have you joined a club? I hope so as cooperation is important to our sport. It takes 8 people to make a square and teamwork makes the magic happen. Clubs provide a foundation for community and sustained engagement for dancing across the state. Get to know the leadership of your club and you'll find hard working, dedicated and energetic people ready to help you have a great time.

Happening soon! Fundraiser Dance for the KDA Convention. Join us April 18 for a 3 hour dance with squares by Kenny Jarvis and rounds with Charlene & James Mann. See the flyer below for all the details! Feel free to bring a snack to share and also any used square dance attire and accessories you'd like to donate for the Yard Sale at the September convention.

Who's Dancing When?

The schedule of dances for our many clubs is on the KDA website. It is a dynamic and constantly updated calendar which can help you get to a dance that interests you. The button below will take you straight to the calendar. The calendar can be viewed as a list or a standard monthly layout. Just click on the dance you're interested in and more information will pop up with all the details to help you get there.
