President Notes

by Gloria Singleton

Thank you to all who attended the Fundraiser Dance for the KDA Convention on April 18. A fun time was had by all with squares by Kenny Jarvis and rounds with Charlene & James Mann. Thank you so much for all your generous donations!

From the survey taken after the event, we heard lots of good comments liking the new venue and location. Concerns about the sound are being addressed and will be fully corrected at the convention. Part of the reason for the event was to test out the new venue, figure out the kinks and make adjustments so our convention can be better than ever. With your help we can have a great dance.

Speaking of donations, we are still asking for donations of used square dance clothing and accessories. Do you have some dance clothes you no longer want? Donate them to KDA for a fundraiser at convention. Please contact Rich and Nora Green if you have items to donate and we'll be happy to come get them before convention: convention@squaredanceky.com

Do you know what your club basket will look like? It's time to start planning your club's basket. Last year there were many fun creative baskets and I can't wait to see what you come up with for 2026.

Volunteers are still needed for convention. Please look below to see where you can help!

Volunteers Are Still Needed for Convention

🛌 **KDA Volunteers Needed for Convention Registration**
KDA is seeking a small team of volunteers to learn and share the responsibilities of handling registrations for our annual **Square & Round Dance Convention**. The work can be easily divided among **2–4 people**.

🙌 **Learn the Process at the 2026 Convention**
Volunteers may shadow **Marilyn and Phyllis** this year to see how registration works. Marilyn is happy to share her computer program and guide someone through how registrations come in throughout the year.

🚀 **Key Immediate Need: Contact Person for the 2027 Flyer**
We need one person whose **name, phone number, and address** can be listed on the 2027 convention flyer. This person would:

- Receive mail-in registrations
- Coordinate money handling with the KDA Treasurer
- Answer occasional phone inquiries about the 2027 convention

🧩 **Tasks That Can Be Shared**
These duties can be divided among several volunteers:

- Sending confirmation replies for 2027 registrations and mailing out convention ribbons
- Entering registrations into the computer
- Helping check in dancers at the convention by taking turns staffing the registration table (no one has to miss dancing!)

🤝 **A Fun, Shared Project**
Sharing the workload keeps everything light and enjoyable.
This is a great way for friends to work together and help make our conventions successful. Any ideas/help dancers can offer is sincerely appreciated.
